# Aesthetic and Cosmetic Laser Surgery | Laser Hair Removal Thousand Oaks

Meet the Surgeons and Founders of the Renaissance Laser & Vein Institute

The three men behind the Renaissance Laser & Vein Institute are uniquely qualified in vascular, plastic, and reconstructive surgery, and each contributes the highest levels of education and decades of experience to the practice.

- Dr. Kouros Azar
- Dr. Gholam Mohammad-Zadeh
- Dr. Mohammad Gharavi

Dr. Kouros Azar, MD

Dr. Azar is a Plastic and Reconstructive Surgeon, certified by the American Board of Plastic Surgery. He is a leader in the field of Plastic Surgery, contributing to the development of new technologies and surgical techniques in both aesthetic and reconstructive surgery. He has been designated an ambassador of the American Society of Plastic Surgeons and serves as a role model for the safe and ethical practice of plastic surgery in the community.

## Education
